

Historical Statehood and Organized Violence

ISA 2023

Marius Swane Wishman

NTNU

14th March 2023

The Puzzle

“What determines when and where pre-colonial statehood is conflict inducing or peace inducing?”

It depends...

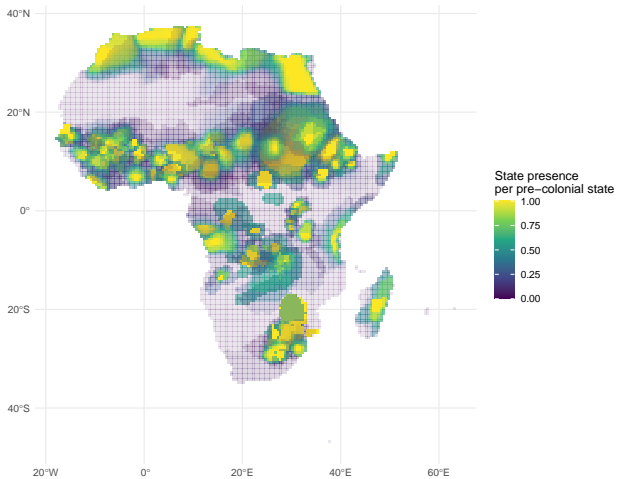

It depends...

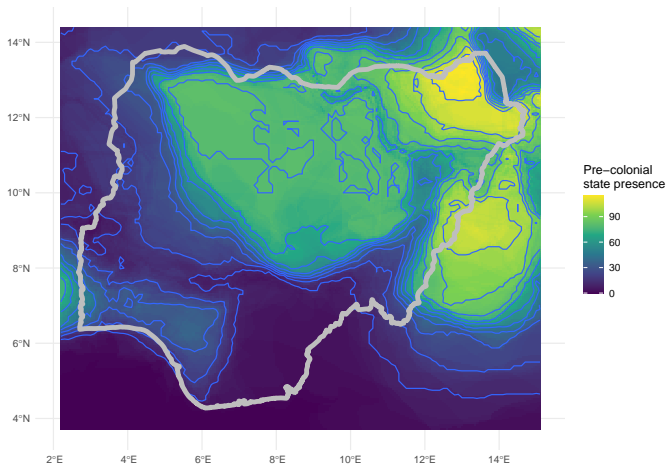

...On the relationship between the pre-colonial state
and the post independence state

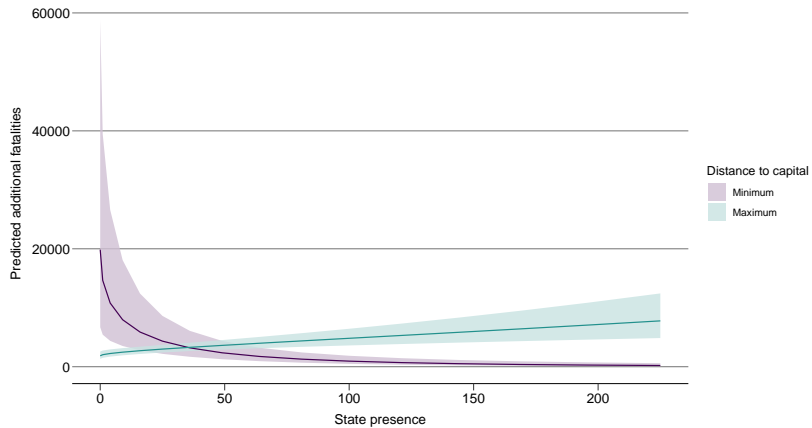

Ouagadougou

Remaining work

- Sensitivity test

Remaining work

- Sensitivity test
- Control for overlap between current and historical capitals

Remaining work

- Sensitivity test
- Control for overlap between current and historical capitals
- Different (larger) grid cells and regions
- Better control for historical conflict (if I can find better data)
